

FROM THE EXECUTIVE'S DESK:

Two items were not included in the National Meeting Minutes.

They are:

1. It was a unanimous opinion of the Directors present that the club would continue its policy of not advertising in the Weimaraner Magazine dogs with serious faults under our Breed Standards. (In a mail vote, one vote against this issue was received.)
2. It was the unanimous opinion of the Directors present that "the all-around Weimaraner" competition was so difficult to formulate and administrate at this point in the new format of the Club that any action on this matter should be deferred until some possible future date when it could be properly handled.

I GOOFED!—I'M SORRY!

Three more Junior pups are eligible for the 1968 Bench Futurity.
